RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Restriction Requirement dated July 22, 2004, Applicants elect, with traverse, Group II (claims 14-24). Applicants reserve the right to pursue examination of the non-elected claims in continuation or divisional applications.

Applicants respectfully request reconsideration and withdrawal or modification of the Restriction Requirement. For instance, contrary to the assertions of the Office Action, Group II is not "drawn to a belt cover." In fact, a belt cover is not even introduced in Group II until claim 21. As a result, it is respectfully submitted that the Restriction Requirement be withdrawn or modified. Moreover, even if the groups were drawn to the subject matter identified by the Restriction Requirement, the invention can be readily evaluated in one search without placing undue burden on the Examiner.

Response to Restriction Requirement
